Hi,

The following is the Super Oldies Soccer weekly report:

6pm games kicked off to the beginning of a wet, fun slip and slide night.

Group B Starting with Optus Red Frogs vs Laser Sharks. Optus Red Frogs were unlucky hitting the post more than once. Conceding 1 to 3 with the referees pick tied between J Davies and T Costello. Next with the rain growing ever fiercer was Elders vs The Hardware Shed. With the rain disintegrating the game sheet, lets just say "what happened on the field, stayed on the field". The score 5 to 0 Elders way. Notso Athletico vs Monday Knights was a hard fought game with many counterattacks. The wet ground helped with making a few too many free kicks, 10 in total. The second half had Monday Knights pull ahead 4 to 1.

Group A 6pm games also saw some rather soggy score sheets. Tradelink vs South had a fun match where M Heron from South decided the match at 3 to 2 with a own goal. The Supremes went down to Valley Signs, 2 to 5. Butter Chicken vs Boral Bangers had a even game with Chris Rumpf scoring the only goal. Boral Bangers were nearly too rowdy for the poor referee. Yet surprisingly no penalties were recorded. Grass Hoppers vs Shockers was a very fast game with lots of skill from both teams. Referees pick went to Gavin Cocks and the final score 2 to 3 Shockers way. Grafton High vs Taxi Vaders had Grafton High playing the better game, but Taxi Vaders scoring where it counts. Both teams finished equal 3 to 3. Total Graffiti vs River Rats was a cruise of a game in a river of rain. Both teams turned up the heat in the rain, scoring in the last 5 minutes. 2 to 3 River Rats way. Wii Not Fit vs CHS Training was a fast, seesaw of a game. The rain helping make a highly entertaining game finishing 2 to 2. Misfits vs Campbells Cougars highlighted how the rain brought out the inner child on this pouring Thursday night. With max fun in the wet, Cougars pulled ahead 3 to 1.

Thursdays weather failed to dampen flame of fun that is celebrated on the pitch every Thursday at Super Oldies Soccer.
